By Peabody & Arnold on August 29, 2022

Peabody & Arnold attorneys Susan Silva and Allen David have authored an upcoming chapter in the latest edition of the Massachusetts Continuing Legal Education (MCLE) treatise on expert witness practice in Massachusetts. The chapter is focused on the use of expert witnesses in legal malpractice litigation. The chapter, which will be published in the fall of 2022, provides guidance on all aspects of legal malpractice experts witnesses from retention through trial. The 2022 edition of “Massachusetts Expert Witnesses” will be available for purchase on the MCLE website: <https://www.mcle.org/>.
